

6th Grade Supply List 2025-2026

All school supplies are meant to be as 'non-consumable' as possible. We value quality and longevity for our tools of learning. Many of the supplies on this list are one-time purchases that will be used for multiple years and need not be purchased every year. These are considered 'daily personal supplies' for every student. Students will be expected to maintain and store their personal belongings. If any of these items are lost or damaged, the student/family will be responsible for purchasing a replacement. Please label all personal items with your child's name. Every day please make sure to send your student with a large water bottle filled and two healthy snacks.
